

ADVANCING UGANDA'S FEED & BIOFUEL INDUSTRY

17TH TO 19TH APRIL 2024 / FOUR POINTS BY SHERATON / KAMPALA, UGANDA

Uganda Animal Feeds Manufacturers Association (UGAFMA) in collaboration with **ANDRITZ FEED & BIOFUEL** is hosting a 2-day round-table themed **Advancing Uganda's feed and biofuel industry**.

The **Uganda Animal Feed Manufacturers Association (UGAFMA)** serves as the recognized industry representative for Uganda's livestock feed sector. In its capacity as the sector's representative body, **UGAFMA** strategically advocates for the interests of its members and advancement of the feed sector.

In advancing the sector, **UGAFMA** helps facilitate a conducive business environment whilst fostering cooperation with key stakeholders, government agencies, regulatory bodies, parastatals, forums, affiliated associations, local and international partners along the feed value chain.

To support good manufacturing practice of feeds, **UGAFMA** is collaborating with **ANDRITZ FEED & BIOFUEL** as a technology and know-how partner.

UGANDA ANIMAL FEEDS MANUFACTURERS ASSOCIATION
P.O. Box 37734, Kampala - Ug, Bagambaki Road Kisenyi II Tel: (+256) 784 498 913

ANDRITZ FEED & BIOFUEL is a leading supplier of technology and services for the animal feed, aqua feed, pet food, biomass and recycling industries. **ANDRITZ FEED AND BIOFUEL** offers an extensive line of equipment and plants to produce high-quality feed, petfood, biomass and recycled products.

From greenfield site projects to upgrades at existing facilities, exact specifications will be met at the lowest possible total cost of ownership by leveraging **ANDRITZ FEED & BIOFUEL's** extensive processing expertise.
